ABOUT

Hailing from Frisco, TX, Little Queen, is a tribute to the music of Heart and other classic rock hits. Sister act, Grace and Emilia Figueroa channel the spirit of Ann and Nancy Wilson with uncanny precision. Grace's powerhouse vocals and Emilia's intricate guitar work bring Heart's iconic hits like Barracuda, Crazy On You, and Magic Man to life, while their youthful energy adds a fresh twist to 1970s and 1980s Heart. Rounding out the band are the exceptionally talented Gwen Osborne on bass, Ashe Blanchard on keys and guitar, Jose Aviles on guitar, and Noah Smith on drums.

Named after Heart's 1977 album Little Queen, the band has quickly gained a reputation for its electrifying performances. Little Queen also performs other classic rock hits during their live shows including Aerosmith, Yes, Dio, Pat Benatar, Fleetwood Mac, Gun-n-Roses, Journey, Led Zeppelin, Tina Turner, and more!

Both sisters were recently featured in The Dallas Observer [article](#) as top sister acts in DFW.
